

Hello

You have been invited to safely and securely view and set up your patient portal with West Coast Foot and Ankle Center. This will allow you to email your doctor directly, request appointments, request refills and schedule appointments directly with your provider. To sign up, please follow these instructions:

- Visit [www.yourhealthfile.com/portal](http://www.yourhealthfile.com/portal) from any web-enabled device.
- Click the "Activate your account here" button above the User Login form. An Account Activation screen will display.
- In the "Username" field, enter: \_\_\_\_\_
- In the "Password" field, enter: \_\_\_\_\_
- In the "Patient's Date of Birth", enter the patient's date of birth.
- Click the "Activate Account" button. Upon confirmation, the Update Account screen will display and you will be prompted to enter your desired account details. Please follow the on-screen Patient Registration instructions to set up your new YourHealthFile Patient Portal account.
